

# Bumblebee Routine

For our younger babies in our bumblebee room we follow home routines and as they start to become older they start to fit into more of a set routine.

7:45	<b>Good Morning</b>	We say Good Morning to our babies and have breakfast if needed.
9:00	<b>Snack Time</b>	Toast and milk/water is available for all babies.
9:15	<b>Free Play</b>	Babies explore a variety of activities through continuous provision, sensory play and creative activities.
10:00	<b>Nappy Time</b>	We have a set nappy time unless a change is required before/after.
10:30	<b>Outdoor Play</b>	The babies love exploring in our garden, they have the access to water play, small climbing frames/slides, bricks, books and a range of other activities.
11:00	<b>Free Play</b>	Our babies have the opportunity to explore a wide range of toys, building, shape sorters, music, sensory. As well as providing messy activities for them.
11:30	<b>Music &amp; Movement</b>	We provide music and movement times, story times and physical play where we can use tunnels, slides, rockers etc. Our babies love joining in with actions to songs and pointing to different objects in stories.
11:35	<b>Lunch</b>	Younger babies are placed in high chairs to eat their lunch and older babies sit in a group to the table. We encourage children to feed themselves and follow home routines such as baby led weaning.
12:15	<b>Sleep/quiet Time</b>	In our baby room we create a dusk and calming atmosphere with relaxing music to help children to settle into sleep.
2:00	<b>PM Snack</b>	A range of healthy snacks are provided.
2:15	<b>Free Play</b>	Babies explore a variety of activities through continuous provision, sensory play and creative activities.
2:30	<b>Nappy Time</b>	We have a set nappy time unless a change is required before/after
3:00	<b>Outdoor Play</b>	The babies love exploring in our garden, they have the access to water play, small climbing frames/slides, bricks, books and a range of other activities.
3:30	<b>Music &amp; Movement</b>	We provide music and movement times, story times and physical play where we can use tunnels, slides, rockers etc. Our babies love joining in with actions to songs and pointing to different objects in stories.
3:45	<b>Tea Time</b>	Younger babies are placed in high chairs to eat tea and older babies sit in a group to the table. We encourage children to feed themselves and follow home routines such as baby led weaning.
4:20	<b>Play / Home</b>	Babies enjoy the last play of the day and say goodbye to all of our friends.

This is a guide routine of things that may happen throughout a children's nursery day. We follow the children's lead spontaneously and have a flexible approach to children learning.
