

Maintaining children's safety and security on premises

Policy statement

We maintain the highest possible security of our premises to ensure that each child is safely cared for during their time with us.

Procedures

Children's personal safety

- We ensure all employed staff have been checked for criminal records via an enhanced disclosure with children's barred list check through the Disclosure and Barring Service and are put onto the Update service.
- Wherever possible staff do not supervise children on their own.
- All children are supervised by staff members at all times.
- Whenever children are on the premises at least two adults are present.
- We carry out risk assessments to ensure children are not made vulnerable within any part of our premises, nor by any activity.

Security

- Systems are in place for the safe arrival and departure of children.
- The times of the children's arrivals and departures are recorded.
- The arrival and departure times of adults – volunteers and visitors - are recorded.
- Our systems prevent unauthorised access to our premises – a staff member must let anyone in the building and passwords are put in place for anyone else collecting children other than parents.
- Our systems prevent children from leaving our premises unnoticed.
- We only allow access to visitors with prior appointments.
- Our staff check the identity of any person who is not known before they enter the premises.
- We keep all doors and gates shut at all times.
- The personal possessions of staff and volunteers are stored in the office during sessions.
- Minimal petty cash is kept on the premises.
